

Be the Light Pollution Solution

How can you help keep the stars in the skies?

Watch this video <https://youtu.be/t3s8Fj8iQE4> and answer questions on how you can help.

Video transcript: [Help protect NSW's dark sky](#)

Make a short movie with your answers and tweet it to [@darkskyalliance](#) and receive a small gift for helping us preserve the night sky

1. Where is one of the best places in the world to see the whole southern sky?

2. What happens to nocturnal animals with artificial light at night?

3. What can you do to help reduce light pollution?
